Please note: You are requested to bring your SIMs & Programme Guide. Please study relevant books at home before coming to the counselling sessions and identify the points you would like to discuss with the counsellor.

We advise you to attend all the counselling sessions as far as possible. Because they would be very useful in certain respects to: share your views on the subject with your counsellors and fellow learners; comprehend some of the complex ideas/concept or difficult issues discussed in your materials, and get clarification for many of doubts which you would not have solved yourself.

In case of any difficulty please feel free to discuss with the Coordinator of the centre.
