DATE: 04/07/2018

CIRCULAR

NASSDOC New Delhi offers a vocational training opportunity for graduate and post-graduate students of Library Science to enhance their academic experience through practical work assignments as a part of the volunteer under vocational training programme.

Subject to submission of the application form for volunteer assignments can last from one month to six months.. Volunteers are incorporated in the work as junior team members under the supervision of different unit chiefs. However, remuneration and employment expectation are not offered. Experience Certificate will be issued for the period involved in the vocational training programme.
